

PATIENT CONSENT FORM

I,

of the following address:

consent to treatment by the practitioners of the Ontario College of Homeopathic Medicine. I understand that this is a teaching clinic and that my case will be taken by student practitioners who are supervised at all times by a qualified homeopath. I understand that other students may be present during my case taking for observation purposes only.

I understand that my case may be videotaped for OCHM teaching purposes only.

I confirm that there has been no suggestion made to me by the Ontario College of Homeopathic Medicine, or by anyone under its direction or control to prevent me from seeking or following allopathic treatment. The decision to seek homeopathic treatment is solely my decision and I understand that I may still seek the treatment of an allopathic doctor or any other health practitioner.

I understand the cost of treatment and agree to pay my account according to the guidelines set by the Ontario College of Homeopathic Medicine (*all fees are non-refundable*). All information disclosed is confidential and remains within the premises of Ontario College of Homeopathic Medicine.
